For a healthier option, make it egg white only for an additional \$1/person

Breakfast Burrito Bar - \$9

Parfait Builder - \$7

Fresh, seasonal berries matched with crunchy granola and Greek yogurt, perfect for you to build your own parfait. A great way to start the day off on a lighter note, but will still leave you satisfied.

An easier way to enjoy the classic breakfast. We split an English muffin and stuff it with a fried egg, strips of Canadian bacon, spinach and provide hollandaise sauce for topping. It's the traditional Eggs Benedict with one hand.

Carbs and Cream Cheese (and other stuff) - \$5

Bagels are the obvious choice, but we don't limit you to bagels alone. If you'd rather have english muffins, toast or croissants we can do that. We also have an array of jams and jellies as well as honey

Add Bacon or Sausage to any item for \$2/Person, Toast \$1/person

Add the juice of your choice (apple, grapefruit or orange) for \$2/person
